* No less than 5 ECTS points must be obtained in the first two years of the studies for courses in social sciences.

** To be passed during five semesters.

*** Semester Research Project is a project run throughout a semester under the supervision of a chosen tutor; it results in a short philosophical essay (often called "semester essay").

**** Each student has to choose one of the following options:

(1) passing the exam on (at least) B2 level provided that the language of the exam is NOT English;

(2) passing the exam on (at least) C1 level (it can be English in such case).

The language of the exam cannot be student's mother tongue in either case.

***** To be passed during the 5th or 6th semester (dependent on student's preference and courses offered in a given semester)

***** Diploma Seminar is a course consisting of 60 hours of monographic seminar (selected by a student) and student's individual consultation with the supervisor of his/her diploma thesis. To pass the course a student has to pass the seminar and submit the thesis. Students must start participating in their diploma seminars in the 5th semester.
